RISING**
OFFICIAL DOCUMENTARY

Truth Rising is a powerful new Christian documentary that reminds us of a timeless truth: only God's Word can anchor our faith and bring lasting hope to a broken world. This film boldly addresses today's cultural confusion, identity crisis, and moral drift with biblical truth, historical wisdom, and Christ-centered clarity. This is more than just another Christian film—it's a call to the Church. Presented by Focus on the Family and the Colson Center for Christian Worldview, Truth Rising is a rallying cry for believers to stand strong in a culture that desperately needs Jesus.
